Make a mini-book

Print the next page on one sheet (landscape, actual size). One sheet folds into an 8-page book kids can “read” to siblings and grandparents.

STEP 1

Fold

Fold the sheet in half the long way, then in half twice more the short way, so you have 8 little panels. Unfold.

STEP 2

Cut

Fold it in half the short way again. Cut along the middle crease from the fold to the center, just one panel deep.

STEP 3

Open

Unfold. Fold the long way again and push the ends together so the cut opens into a diamond.

STEP 4

Flatten

Keep pushing until it flattens into a little book. The cover is on the front. Read it together!

The Wise Men Follow the Star

This book belongs to _____

Far, far away, a wise old man climbed onto his flat roof to look at the stars.

So the wise man and his two friends packed up their camels.

At last, they came to a king's palace.

So the wise men set off again, and look, there was the star, the very same one, shining ahead of them.

"When they saw the star, they rejoiced with great delight."

Matthew 2:10

God leads us to Jesus.

That night, God spoke to the wise men in a dream, don't go back to the grumpy king, go home a different way.

They knocked, and Mary opened the door, and there was little Jesus!
